Use back of sheet or attach a separate sheet to answer the following questions:

List the types of authentic tasks you expect to observe and use in your classroom. If you are a counselor, explain how you will use this experience in your day-to-day work.

How will you apply what you have learned to your own curriculum/job?

What jobs or careers will you be observing?

How do you expect this externship to enable you to better prepare students for future education or work? LIST THREE SPECIFIC EXAMPLES.

AGREEMENT: I agree to spend six hours per day for four days at the business listed above observing or participating in occupational activities. I will complete my externship prior to June 30, 2006 (for FY 2005-06) or 6/30/07 (for FY 2006-07). I agree to submit a written evaluation of my externship as a condition to receive a stipend. I understand that the Northwoods School to Work Consortium has the option to select teachers based on allocation to participating districts and the quality of applications. I will not seek an externship at any business owned by me or any close family member. I will not seek an externship at any business I am currently employed or have been employed at. I will only apply for an externship if I am returning as an educator in the 2004-2005 (or 2005-06) school year.
